Admitted freshman (first-year) students must submit a non-refundable 200 € confirmation fee to the Office of Admissions and formally accept any scholarship awarded to him/her (through the acceptance form posted on the web) by May 1, in order to secure both a place in the freshman class and the MC Jesuit High School Award, if awarded.

#### **Is the MC Jesuit High School Award renewable?**

The MC Jesuit High School Award is renewable over a maximum of eight semesters of continuous, full-time, undergraduate enrollment, or until completion of a bachelor's degree, whichever occurs first. **What happens if a MC Jesuit High School Award recipient does not maintain the requisite renewal 2.0 cumulative GPA?**

If a MC Jesuit High School Award recipient's cumulative SLU GPA falls below the requisite renewal 2.0 cumulative GPA, as reviewed at the end of each Spring Semester, the student may lose some or all of the scholarship based on the cumulative GPA.

**What is expected of a MC Jesuit High School Award recipient?**

MC Jesuit High School Award recipients are expected to adhere to the University's published Student Codes of Conduct and to participate in University activities that support and further the mission of Saint Louis University – Madrid Campus.

**May a MC Jesuit High School Award be used for summer tuition expenses?**

No. The MC Jesuit High School Award may only be used for full-time, undergraduate tuition expenses in the Fall and Spring Semesters of the academic year.

**Can a MC Jesuit High School Award be used to study abroad?**

For Saint Louis University – Madrid Campus students spending a semester as a visiting (i.e. study abroad) student on the Saint Louis University – St. Louis Campus, the MC Jesuit High School Award may be used towards tuition expenses.

For Saint Louis University – Madrid Campus students moving permanently to the Saint Louis University – St. Louis Campus, their MC Jesuit High School Award will automatically convert into the St. Louis Campus Jesuit High School Award, which is managed by the St. Louis Campus and which is subject to the particular conditions of that scholarship.

The MC Jesuit High School Award cannot be applied towards the cost of study abroad programs sponsored by other universities, other than those with whom the Madrid Campus has a formal exchange agreement.

**What happens if a MC Jesuit High School Award recipient interrupts his/her required continuous, undergraduate, full-time enrollment? Can an MC Jesuit High School Award recipient take a leave of absence without losing his/her scholarship eligibility for future semesters?**

If a scholarship recipient has to leave the University for any reason, including a suspension, and/or cannot maintain continuous, undergraduate, full-time, fall/spring enrollment, the recipient may request a Scholarship Leave of Absence with the Coordinator of Financial Aid. Such a request may not exceed one academic year in length. The Leave of Absence request form must be submitted and receive approval before the start of the semester(s) when absence from the University or deviation from enrollment policy requirements is expected. On this form, a student must explain why it is necessary to leave the University or attend in a less than full-time status and must state when s/he will return to the University as a full-time undergraduate.

Without a granted Leave of Absence, the student's scholarship renewal eligibility will terminate at the start of that semester without appeal.

If approved, a Leave of Absence permits a scholarship recipient to be absent from the University or be enrolled less than full-time over an approved academic period without jeopardizing his/her scholarship renewal eligibility.

**Can a MC Jesuit High School Award be combined with other sources of financial aid?**

If a student receives one of the Madrid Campus – Saint Louis University's merit-based scholarships in addition to the MC Jesuit High School Award, the MC Jesuit High School Award can be combined with that merit-based scholarship up to, but not exceeding, the cost of full tuition. The MC Jesuit High School Award may be combined with need-based financial assistance and/or outside funding. The MC Jesuit High School Award may not be combined with the Javier Scholarship for transfer students.

SLU-Madrid students demonstrating need may be eligible for some tuition remission through the Work-Grant Program.

Permanent SLU-Madrid students from the United States seeking need-based aid may also do so through the FAFSA process. To qualify for federal/state free or need-based assistance, U.S. students should, between January 1 and March 1, annually file the Free Application for Federal Student Aid (FAFSA). It can be done online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Priority consideration is given to students who file the FAFSA by March 1; after March 1 need-based financial aid will be awarded based on the availability of funds. Please note: You do NOT have to file a FAFSA application in order to be eligible for the MC Jesuit High School Award.
